TO: Mr. Loch K. Johnson
Permanent Select Committee on
Intelligence

Dear Loch:

On 21 August 1978 you asked about the Information Science Center. Enclosed are two booklets which describe the Information Science Center and the courses that it offers. As you will note, it is a part of the Office of Training. I expect to have answers soon to your other questions about the Senior Review Panel, the Academic Relations Staff, Notes on Academic Relations and a history on the Academic Coordinator's slot.

Sincerely,

[redacted]

Assistant Legislative Counsel
